WHO ARE WE ?

Amirah Trading Establishment is a leading provider of high-quality electrical and construction materials in Riyadh, committed to supporting the Kingdom's infrastructure and development goals in alignment with Saudi Vision 2030. We specialize in supplying a comprehensive range of electrical cables, switches, panel boards, and related components, catering to the evolving needs of contractors, developers, and businesses.

Driven by innovation, quality, and customer satisfaction, we strive to contribute to the growth of Saudi Arabia's construction sector by delivering reliable solutions that enhance efficiency and sustainability. As the Kingdom advances towards a diversified and modern economy, Amirah Trading Establishment remains dedicated to providing world-class products and services that support this transformation.

VISION

To be a leading and trusted supplier of high-quality electrical and construction materials in Saudi Arabia, driving innovation and excellence in the industry. Aligned with Saudi Vision 2030, we aim to contribute to the Kingdom's infrastructure development by delivering reliable, sustainable, and technologically advanced solutions that support economic growth and modernization.

MISSION

To provide high-quality electrical and construction materials that meet international standards, supporting Saudi Arabia's infrastructure growth in line with Vision 2030. We are committed to excellence, innovation, and sustainability, delivering reliable solutions that enhance efficiency and safety while building lasting partnerships with our clients.
